

SPA treatments for kids

Manicure for a little princess

Nail painting finished with a gentle massage of fruity balm into the hands.

130 PLN 🕒 up to 30 min.

Fruity dizziness

A gentle back massage with aromatic fruit butter. After the massage, a freshly squeezed delicious fruit juice will provide your child with vitamins and energy.

170 PLN 🕒 20 min.

Relaxing full body massage - Kids

Gentle full body massage with aromatic fruit butter. Perfect relaxation followed by tasting a healthy, vitamin-packed freshly squeezed fruit juice. Dedicated for children aged 10 and above.

190 PLN 🕒 35 min.

The above-mentioned treatments are dedicated to kids aged 6–15 years; a parent/guardian must sign permission for all treatments. The consent form must be signed at the spa reception prior to the treatment. The treatment takes place in the presence of a parent/guardian. Resignation of the parent/guardian from being present during the procedure means his/her consent to carry out the procedure without his/her participation.
